courage

## TERRAVIBE

**Soil art installations:**  
to raise awareness and spark curiosity

**Soil dialogue series:**  
to explore how soil sustains our lives  
and well-being.

**Soil learning lab:**  
to establish a community of learning,  
teaching and sharing about our rela-  
tionship to ourselves.

**Soil stories & festival:**  
documenting personal and collective  
stories and experiences that involve  
soil to find common ground.
